

# NETWORK OF PARTNER AGENCIES

- Each year more than 600,000 men, women and children throughout Hillsborough and Pinellas Counties are helped through the collaborative efforts of United Way and its network of Partner Agencies.
- Annually United Way staff and volunteers monitor the effectiveness and efficiency of each Partner Agency. Their hard work and dedication means you can rest assured knowing your United Way community investment is helping to provide life-saving, life-changing results to those in need right here in our community.
- Go to [www.unitedwaytampabay.com](http://www.unitedwaytampabay.com) for a complete alphabetical listing that briefly describes the vital services each agency provides. We encourage you to visit their respective Web sites or call them for additional information.
