

LIVE UNITED

LIVE UNITED is more than an advertising campaign. It is our credo. It is our aspiration. It is our goal.

LIVE UNITED is a reminder that when we think outside ourselves, we have the power to facilitate change. When we think of others' lives as linked to our own, our compassion grows. When we reach out a hand to one, we influence the condition of all. We strengthen neighborhoods. We bolster the health of our communities. And we change the lives of those who walk by us every day.

LIVE UNITED is a call-to-action.

TO GIVE. TO ADVOCATE. TO VOLUNTEER.

Because united, we elevate. United, we preserve.

United, we move beyond obstacles to better lives. United, we accomplish more than any single entity can alone. United, we change what we see in our world.

LIVE UNITED and experience the power of unity.

Advancing the Common Good

When we advance the common good in our community we create opportunities for a better life for all. We all win when a child enters school prepared to learn. We all win when children and youth are academically successful and graduate from high school. We all win when families are financially stable and parents are employed and maintain independence through retirement.

These are the building blocks to a strong community. Addressing the underlying causes of problems, we will create long-lasting changes.

Make a Difference

GIVE. ADVOCATE. VOLUNTEER.

Be part of the change. United, we inspire hope and create opportunities for a better tomorrow.

LIVE UNITED.
