ADVANCING THE COMMON GOOD: CREATING OPPORTUNITIES FOR A BETTER LIFE FOR ALL GIVE TO THE COMMUNITY IMPACT FUND

Everyone deserves opportunities for a good life: enough income to support a family through retirement, a quality education that leads to a stable job, and good health.

That's why United Way of Tampa Bay's Community Impact Fund is focused on the building blocks for a good life:

INCOME

HELPING FAMILIES BECOME FINANCIALLY STABLE AND INDEPENDENT

- › Job training and job readiness programs to increase family income
- › Financial education programs to help individuals and families grow savings
- › Financial coaching so people have ongoing opportunities to build assets

EDUCATION

HELPING CHILDREN AND YOUTH ACHIEVE THEIR POTENTIAL

- › Preschool programs for school readiness
- › Early literacy programs for school success
- › Out-of-school programs for life skills development

SAFETY NET

HELPING PEOPLE IN CRISIS

- › Assisting the homeless and hungry
- › Addressing substance abuse, child abuse and domestic violence
- › Serving the community after disaster strikes

Advancing the common good is less about helping one person at a time and more about changing systems to help all of us. We are all connected and interdependent. We all win when a child succeeds in school, when families are financially stable, when people are healthy.

United Way's goal is to create lasting change by addressing the underlying causes of community problems. Living united means being a part of this change. It takes everyone in the community working together to create a brighter future.
